## Comedy #5

## Colonel Heeza Liar - The African Jungle

Picture opens with the cartoonists looking at old fashioned gun which they are going to take on their vacation. The Colonel laughs at the very idea of them going hunting and tells them of his experiences in the African Jungle, starting off with a very clever fight with a Secretary bird, and interesting episode where the Colonel being very hungry, gets into a nest and is fed by a mother bird. Feeling better he decides to hunt for big game and shoots crap. The rattling of the dice is answered by the rattle of a snake. The surprise registered by the Colonel on finding who answered his rattle is amusing. His final episode is with an alligator, the worst of all his hunting experiences.

The cartoonists have a toy Alligator and while he is relating his experiences they wind up the toy and the Colonel very much frightened fades out.
